

John Mellencamp, To The River

They are master and slave.
We are sunlight and shadow.
All roads to the river.
I am lost. I am saved.
I'm beloved and betrayed.
All roads to the river.

And the river runs wide,
And the river runs deep
And I spit in the eye
Of safe company.
When I dive right down
To the undertow
Well, the deeper I drown
Lord, the higher I'll go.

I am whispering dreams.
I am howling revolutions.
All roads to the river.
I am valentine sweet
And I live in this nightmare.
All roads to the river.
And the river runs wide,
The river runs deep
And I spit in the eye
Of safe company.
When I dive right down
To the undertow
Well, the deeper I drown
Lord, the higher I'll go.

This is nothing like we planned.
That's the way it's always been.
All roads to the river.
I have hated and I have loved.
I have prayed and I have sinned.
All roads to the river.

And the river runs wide,
The river runs deep
And I spit in the eye
Of safe company.
When I dive right down
To the undertow
Well, the deeper I drown
Lord, the higher I'll go.
