

# John Mellencamp, Walk Tall

[Note lyrics with an (1) at the end appear on the album version. Lines with (2) at the end appear on

The simple minded  
And the uninformed  
Can be easily led astray  
And those that cannot connect the dots  
Hey look the other way  
People believe what they want to believe  
When it makes no sense at all  
So be careful of those killing in Jesus's name (1)  
He don't believe in killing at all (1)

And I wish you a long sight line (2)  
And the strength to walk tall (2)  
Walk tall  
Yeah walk on  
Through this world  
Walk tall  
Somewhere out in the distance  
Is the death of you and me  
Even though we don't think of it much  
It's still out there for us to see  
If you treat life like a bar room fight  
You'll die stinking of gin  
No drunkards are allowed in heaven  
No sinners will get in  
Walk tall  
Yeah, walk on  
Walk tall  
Through this world  
Walk tall  
So be careful in what you believe in  
There's plenty to get you confused  
And in this land called paradise  
You must walk in many men's shoes  
Bigotry and hatred are enemies to us all  
Grace, mercy and forgiveness  
Will help a man walk tall  
So walk tall  
Yeah, walk on  
Walk tall  
Through this world  
Through this world  
Yeah, walk tall  
Then walk on  
Walk tall  
Then walk on  
Through this world  
Through this world  
Through this world  
Through this world  
Walk tall  
Walk tall  
Then walk on  
Walk tall
