

# John Newman, We All Get Lonely

[Intro]

We all get lonely, lonely, lonely  
Lonely sometimes  
Lonely, lonely, lonely  
That's what we do  
We all get lonely, lonely, lonely  
Lonely sometimes  
Lonely, lonely, lonely  
That's what we do

[Verse 1]

I've been waiting for you, to just to turn your eyes, I'll be yours  
I got this feeling alright, I got this feeling alright  
When you don't go to the world, my heart [?]  
I got this feeling alright, I got this feeling alright

[Chorus]

We all get lonely, lonely, lonely  
Lonely sometimes  
Lonely, lonely, lonely  
Yeah, that's what we do  
We all get lonely, lonely, lonely  
Lonely sometimes  
Lonely, lonely, lonely  
Yeah, that's what we do

[Verse 2]

I go to [?], I've been searching for all I need  
I got this feeling alright, I got this feeling alright  
I knew the love, I've been yearning to tell me please, baby  
I got this feeling alright, I got this feeling alright

[Chorus]

We all get lonely, lonely, lonely  
Lonely sometimes  
Lonely, lonely, lonely  
Yeah, that's what we do  
We all get lonely, lonely, lonely  
Lonely sometimes  
Lonely, lonely, lonely  
Yeah, that's what we do

[Bridge]

[?] tell me alright, yeah  
Don't you get lonely?  
Don't you get lonely?  
Don't you get lonely?  
I get so lonely [?]

[Outro]

We all get lonely, lonely, lonely (I get so lonely baby)  
Lonely sometimes  
Lonely, lonely, lonely  
Yeah, that's what we do  
We all get lonely, lonely, lonely (I get so lonely)  
Lonely sometimes  
Lonely, lonely, lonely  
Yeah, that's what we do (that's what we do, we do, we do)  
Lonely, lonely, lonely (we get so lonely, baby, come on)  
Lonely sometimes  
Lonely, lonely, lonely (alright, that's what we do)  
Yeah, that's what we do  
Lonely, lonely, lonely  
Lonely sometimes (that's what we do, that's what we do, yeah yeah yeah)

Lonely, lonely, lonely  
Yeah, that's what we do
