

Johnny Cash, I've Been Everywhere

I was totin my pack along the long dusty Winnamucka road
When along came a semi with a high canvas covered load
If your goin' to Winnamucka, Mack with me you can ride
And so I climbed into the cab and then I setteled down inside
He asked me if I'd seen a road with so much dust and sand
And I said, "Listen! I've traveled every road in this here land!"

I've been everywhere, man
