

Johnny Cash, Is This My Destiny

Cursed with sorrow pain and woe
Full of feeling I can't show
Hopeless love what else for me
Is this my destiny

At night I toss and wonder why
I must live while others die
The grave would be escape for me
From this my destiny

I know God surely made for every man
Somewhere a maid
Someone stole my love from me
Is this my destiny

At night I toss and wonder why
I must live while others die
The grave would be escape for me
From this my destiny
