Johnny Cash, Is This My Destiny

Cursed with sorrow pain and woe Full of feeling I can't show Hopeless love what else for me Is this my destiny

At night I toss and wonder why I must live while others die The grave would be escape for me From this my destiny

I know God surely made for every man Somewhere a maid Someone stole my love from me Is this my destiny

At night I toss and wonder why I must live while others die The grave would be escape for me From this my destiny
