

# Johnny Cash, Rock Island Line

Now, this here's the story of the Rock Island Line  
The Rock Island line, she runs down into New Orleans  
There's a big toll gate down there  
And, y' know, if you got certain things on board  
When you go through the toll gate  
Where you don't have to pay the man all toll  
Well, the train driver, he pulled up to the toll gate  
The man only asked him what he had on board, and he said  
"I got livestock, I got livestock  
I got cows, I got pigs, I got sheep, I got mules, I got all livestock"  
Well, he said, "you're alright, boy  
You don't have to pay no toll  
You just go right on through"  
So, he went on through the toll gate, and as he went through  
He started picking up a little bit of speed  
Picking up a little bit of steam  
He got on through he turned a look back to the man, he said  
"Well, I fooled you, I fooled you  
I got pig iron, I got pig iron  
I got all pig iron"

But you're gonna miss me when I'm gone

Well, the engineer said before he died,  
There were two more drinks he'd like to have tried,  
The doctor asked him "what could they be?"  
He said "a hot cup of coffee and cold glass of tea"
