

Johnny Cash, The One Rose (That's Left In My Heart)

So blue Lonesome too But still true

Rosie haunts me Makes me think of you

You're the one rose that's left in my heart, dear I love you, adore you, I do

Each night in dreamland we wander along
Telling love stories anew
When from a blue sky a black cloud came rolling
Breaking my heart in two
Oh we ought not to part
I have said from the start
You're the one rose that's left in my heart

Oh we ought not to part
I have said from the start
You're the one rose that's left in my heart
