## Johnny Cash, Thirteen

(Glen Danzig)

Bad luck wind been blowing at my back I was born to bring trouble to wherever I'm at Got the number thirteen tattooed on my neck When the ink starts to itch, then the black will turn to red

I was born in the soul of misery Never had me a name They just gave me the number when I was young

Got a long line of heartache
I carry it well
The list of lives
I've broken reach from here to hell
Back luck been blowing at my back
I pray you don't look at me, I pray I don't look back

I was born in the soul of misery Never had me a name They just gave me the number when I was young

I was born in the soul of misery Never had me a name They just gave me the number when I was young They just gave me the number when I was young
