Johnny Mathis, Chances Are

(Words by Al Stillman Music by Robert Allen)

Chances are cause I wear a silly grin The moment you come into view Chances are you think that I'm in love with you

Just because my composure sort of slips The moment that your lips meet mine Chances are you think my heart's your Valentine

In the magic of moonlight When I sigh, "Hold me close, dear" Chances are you believe the stars That fill the skies are in my eyes

Guess you feel you'll always be The one and only one for me And if you think you could Well, chances are your chances are awfully good

Chances are you believe the stars That fill the skies are in my eyes

Guess you feel you'll always be The one and only one for me And if you think you could Well, chances are your chances are awfully good

The chances are your chances are awfully good
