

Jojo, What U Need

Boy i am really down you can call on me like pronto
Know you owe me one made me wait a long time homie
Down down can i count on you tomorrow?
What's it hittin fo'
Are we still a go?
Lingerie cool but thw oversized tee make you act a fool
What you need
Baby what you need

If you squeeze boy i got the juice
With a lil bit of vodka
Unpack your childhood traumas

Tell me what it is
Tell me what it ain't
Tell me why uou even bother
Tell me if you need a space
You're gonna lose me that way
Don't lose me that way

Let me know

Tell me what you need
Let me know
If it's love
I got that
Got that , got that
I knwo all about that
Tell me what you need
