

Jonas Blue, Mama (ft. William Singe)

Where should we run to
We got the world in our hands as we're ready to platy
They say we're wasted
But how can we waste it if we're loving every day
Ok
I got the keys to the universe so stay
With me
Cos I got the keys baby

Don't wanna wake up
One day wishing that we'd done more
I wanna live fast
Never look back
It's what we're here for
Don't wanna wake up
One day wondering
Where's it all go
Cos we'll be home before we know
I wanna hear you singing

Hay Mama don't stress your mind
We ain;t coming home tonight
Hay Ma we're gonna be alright
Dry those eyes
We'll be back in the morning
When the Sun starts to rise
So Mama don't stress your mind /2x

Mama /3x
We ain;t coming home tonight
/2x

Where should we run to
We got the ticket that takes us whtever we like
We got our problems
But just for minute
Let's push all our troubles aside
Alright
Cos we got keys to universe inside our minds
Yes, we got the keys babe
