

# Jonas Blue, What I Like About You (Feat. Theresa

All my life I've been a good girl  
Tryna do what's right, never told no lies  
Then you came around and suddenly my world  
Turned upside down, now there's no way out

I tried to fight against it, shut out what all my friends said  
Can't get you out of my head,  
I keep letting you in, though I know it's not a good thing  
I got you under my skin

you're so out of line  
you make me bad and I don't know why  
but that's what I like about you  
that's what I like about you  
I'm out of my mind  
you got me running all the red lights  
but that's what I like about you  
that's what I like about you

you make me bad and I don't know  
you make me bad and I don't know  
that's what I like about you  
that's what I like about you  
you make me bad and I don't know  
you make me bad and I don't know  
that's what I like about you  
that's what I like about you

I don't care if my daddy don't think we're the perfect pair  
it's my affair  
I don't know why my mama worries when I'm out all night  
she thinks I'm 9

I tried to fight against it, shut out what all my friends said  
Can't get you out of my head,  
I keep letting you in, though I know it's not a good thing  
I got you under my skin

you're so out of line  
you make me bad and I don't know why  
but that's what I like about you  
that's what I like about you  
I'm out of my mind  
you got me running all the red lights  
but that's what I like about you  
that's what I like about you

you make me bad and I don't know  
you make me bad and I don't know  
that's what I like about you  
that's what I like about you  
you make me bad and I don't know  
you make me bad and I don't know  
that's what I like about you  
that's what I like about you
