

# Jonas Brothers, I Need You Christmas

I Need You Christmas  
Friends by the fire to hold  
Times have been lonely  
And lately I just feel alone

I Need You Christmas  
Family with nowhere to go  
Angels on treetops and angels in the snow  
On the cold

Seasons Change  
Come and go  
But there's one thing I know  
You'll just stay the same  
You don't ever change

I miss the feeling  
Waiting for Santa to show  
Caroling late night  
And all the children's eyes aglow

I need you Christmas  
How I miss you the most  
Greetings from loved ones  
And lovers under mistletoe

If you're young  
If you're old  
We all wait to be told  
Just a simple phrase  
Have a Merry Christmas

Season change  
Come and go  
But there's one thing I hope  
You'll stay the same  
Cause I need you Christmas
