

Journey, Chain Reaction

(Perry/Schon/Cain)

I bet you, she's the one
Who helped you, come undone
Those changes
She put you through
Long long distance
You're overdue

I bet you, she'd like to say
She's changed you, in every way
She's so sure
Now she's on the run
She ran a red light
You jumped the gun
Chain reaction, shades of passion
We surrender, lose control

So now you, lived a mystery
You won't be
Just one more casualty
You stumble, before you fall
Won't be the last time
No not at all

In motion, it's on her way
The red light
Somebody's got to pay
Those changes
She put you through
Long long distance
You're overdue

Chain reaction, shades of passion
We surrender, lose control
Chain reaction
Strange attraction
Love's a viper, steals your soul

So now just where do we go
Tell me where
Chain reaction, shades of passion
We surrender, lose control
Chain reaction
Strange attraction
Love's a viper, steals your soul
