

Journey, Colors Of The Spirit

(Perry, Cain, Schon, Bettis)

We are one, we are one
Distant rhythm in a troubled sky
Angry clouds divide the sun
Feels like thunder and so do I
Bloody silence has begun
Flying like a wounded dove

Tomorrow comes undone
Surrender don't come easily
We try to get over... over
Falling together... together

Many colors of the spirit
Many lives below the sun
We are colors of the spirit
We are many... we are one

Ask the question - what's goin' on
Why raging children run
Where's the father's legacy
Where's the harvest of the son
Close your eyes and tell me what you see
I see the same thing... same thing

Many colors of the spirit
Many lives below the sun
We are colors of the spirit
We are many... we are one
No, surrender don't come easily
We try to get over... over

Many colors of the spirit
Many lives below the sun
We are colors of the spirit
We are many... we are one
We are many... we are one
