

# Journey, Hustler

(Dunbar)

I get beside women all men desire,  
Crazy with passion I'll never be tired,  
Money's no good to me 'cause lovin's my game,  
I don't need no trouble and I'll show you no pain.  
I move like a lover, so silent and swift,  
Screamin' women love me, just can't resist  
I can't be bought, your payoff's no good,  
So lock up your women, like you know you should.
