

# Journey, Never Walk Away

So young in love  
They couldn't wait  
Said their vows  
Just to run away  
Suddenly, they felt their lives had changed  
They believed their hearts  
Were strong  
Just to find  
They couldn't get along  
They didn't care  
It slowly (falls or comes) undone  
[Chorus:]  
Will she go or will she stay (will she stay)  
Pull herself (through or for) one more day  
Don't give up  
Never walk away  
Love's a promise that he made  
In his heart it still remains  
Don't give up  
Never walk away  
Had to meet somewhere half way  
Heart to heart  
Face to face  
Compromise the price they had to pay  
Cared enough to stand on ground  
Screamed and shouted 'til the walls came down  
Won the fight  
Still a brand new day  
[Chorus 2x]  
Never walk away  
Oh, oh (never walk away)  
Never walk away
