Journey, Separate Ways (Worlds Apart)

Here we stand Worlds apart

Hearts broken in two, two, two

Sleepless nights

Losing ground

I'm reaching for you, you, you

Feelin' that it's gone

Can't change your mind

If we can't go on

To survive the tide Love divides

Someday love will find you

Break those chains that bind you

One night will remind you

How we touched

And went our separate ways

If he ever hurts you

True love won't desert you

You know I still love you

Though we touched

And went our separate ways

Troubled times

Caught between confusions and pain, pain, pain

Distant eyes

Promises we made were in vain

In vain, vain

If you must go

I wish you love

You'll never walk alone

Take care my love

Miss you love

Someday love will find you

Break those chains that bind you

One night will remind you

How we touched

And went our separate ways

If he ever hurts you

True love won't desert you

You know I still love you

Though we touched

And went our separate ways

[Instrumental Interlude]

Ooooooooh

Someday love will find you

Break those chains that bind you

One night will remind you

If he ever hurts you

True love won't desert you

You know I still love you

I still love you, girl

I really love you, girl

And if he ever hurts you

True love won't desert you
