

Journey, She Makes Me (Feel Alright)

Hear what I'm saying, you're losing control
Can't take the sun from her eyes
She's built for comfort, she ain't no fool
She said, take a look
It's easy tonight
It's gonna be alright
She made me feel alright
Baby baby baby baby, feel alright, wooh
Yeah, it's gonna be alright
A flaming sky sure makes her look good
You'll put your life on the line
Are you gonna stay, or do you wanna leave
Well hey, come with me
We'll have a good time
It's gonna be alright
Yeah, she made me feel alright
Baby baby baby baby, feel alright, yeah
Yeah, it's gonna be alright
I can't wait
I gotta have her now
I can't wait
Well my love is growing stronger yeah
I can't wait
No, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, wooh
????, wooh
It's alright
Baby baby baby baby
She made me feel alright
Yeah, she made me feel alright
Well baby baby baby baby feel alright
Baby baby baby baby feel alright
It's gonna be alright
She made me feel alright
She made me feel alright
