Judas Priest prezentuje utwór "Sons of Thunder" z płyty Invincible Shield" (premiera 8 marca 2024

Ride out burn up the energy
One way to live

It's time to find you liberty
There's more to give

Take it or leave it
None but the brave

Let's ride all night
Sons of thunder

Hold fast aim for the better life
Make your heart steer
Speed-up break through the barrier
The road is clear

Take it or leave it
None but the brave

Let's ride all night
Sons of thunder

Rollin' like thunder
We rumble and roar
Leading the pack as we scream out for more

Let's ride all night
Sons of thunder
