Knock, knock, you about to get shell shocked /4x

That's my fam, my hold 'em down for eva  
Us against the world, we can bottle whomeva  
Together ain't no way we gon' fail  
You know I got your back, just like a turtle shell  
Nobody do it better, all my brothers tryna get some cheddar  
We all want our cut like the Shredder  
Me and my bros come together for the dough  
Bought the orange Lamborghini, call it Michelangelo  
With the nun-chuck door and I'm pullin' up slow  
When we fall up in the party, they know anything goes  
Check my Rolex, they say I'm the man of the hour  
All this green in my pockets, you can call it turtle power

(For when we fight together)  
Knock, knock, you about to get shell shocked  
(Or when we ride together)  
Knock, knock, you about to get shell shocked  
(Also for when we fight together)  
Knock, knock, you about to get shell shocked  
(We can make it any better)  
Knock, knock, you about to get shell shocked

[Wiz Khalifa:]  
Ain't nothin' that could come in between me and my brothers  
We all around if it's going down  
It's just us, all for one, yeah you hear 'em right  
Our business done, we disappear into the night  
Came up together, so we all down for the fight  
Ain't nothin' wrong with that  
Family, ain't nothin' strong as that  
And I'll be posted up where the strongest at  
Brothers by my side, city on my back, real heroes  
That's what the people want  
They ain't born, gotta create 'em  
Sayin' we gone as soon as we save 'em  
That's part of the plan, by my side I'mma keep my brothers  
Live or die man we need each other! Huh!

We be them, we be them (young riders)  
Raised in the gutters, really started (from the bottom)  
Hey, we all we ever had, we all we ever needed and we undefeated  
We be goin' hard, and make it look easy  
Gimme the whole pie, real cheesy  
I told ya God no! But you won't believe me  
Takin' pics for me, told her smile fo' me  
Pass her off, I'm a real team playa  
Bandanna on my face like a gangsta
