

# Julia Olędzka, I'll Never Love Again

Wish I could, I could've said goodbye  
I would've said what I wanted to  
Maybe even cried for you  
If I knew it would be the last time  
I would've broke my heart in two  
Tryin' to save a part of you

don't wanna feel another touch  
don't wanna start another fre  
don't wanna know another kiss  
no other name falling off my lips  
don't wanna give my heart away  
to another stranger  
or let another day begin  
won't even let the sunlight in  
no, I'll never love again  
I'll never love again

when we first met  
I never thought that I would fall  
I never thought that I'd find myself  
lying in your arms  
and I want to pretend that it's not true  
baby that you've gone  
cause my world keeps turning  
and turning /2x  
and I'm not moving on

don't wanna feel another touch  
don't wanna start another fre  
don't wanna know another kiss  
no other name falling off my lips  
don't wanna give my heart away  
to another stranger  
or let another day begin  
won't even let the sunlight in  
no, I'll never love again  
I'll never love again

I don't wanna now this feeling  
unless it's you and me  
I don't wanna waste a moment  
and I don't wanna give somebody else the better part of me  
I would rather wait for you

don't wanna feel another touch  
don't wanna start another fre  
don't wanna know another kiss  
I'll stay on your lips

don't wanna give my heart away  
to another stranger  
or let another day begin  
won't even let the sunlight in  
no, I'll never love again  
I'll never love again
