

Julia Stone, We All Have (Feat. Matt Berninger)

Dont be concerned about your car not working
Biy, you're losing it
Don't be confused about these games you're playing
You are choosing it

Leave it alone
Now just need a time
Time
Leave it alone
Now you will find, find

We all have lightness to be ok.
Ok, ok. for now
We all have lightness to be ok.
Ok, ok. for now

Don;t be cencern about your job
Not working out
You will figure out
Every moment will pass in a momnet
And everuything that you need will be open

Leave it alone
Now just need a time
Time
Leave it alone
Now you will find, find

We all have lightness to be ok.
Ok, ok. for now
We all have lightness to be ok.
Ok, ok. for now

Love is all we needed to be here for
Love is all we needed to be here for

Leave it alone
Now just need a time
Time
Leave it alone
Now you will find, find

We all have lightness to be ok.
Ok, ok. for now
We all have lightness to be ok.
Ok, ok. for now
