

# Jung Kook, 3D (feat. Jack Harlow, BTS)

One, two, 3D

I can't touch you through the phone  
Or kiss you through the universe  
In another time zone  
It's the only time I can't reverse  
But when there's two dimensions  
There's only one I'm missin'  
And if you feel alone  
You don't have to feel that no more

I just wanna see you like that  
See you like that, uh-uh

So if you're ready (So if you're ready)  
And if you'll let me (And if you'll let me)  
I wanna see it in motion  
In 3D (Uh-uh)  
You won't regret me (You won't regret me)  
Champagne confetti (Champagne confetti)  
I wanna see it in motion  
In 3D

'Cause you know how I like it, girl (Girl)  
3D  
You know how I like it, girl (Girl)  
3D

Body to body to body to body to body  
You and me, baby, you know, that we got it  
So don't go gettin' me started  
'Cause you know I get hot hearted  
Baby, oh, baby, oh, baby, you makin' me crazy  
Rain, rain, rain, you can't fake it  
You give me brand new emotion  
You got me drinkin' that potion

I just wanna see you like that  
See you like that, uh-uh

So if you're ready (So if you're ready)  
And if you'll let me (And if you'll let me)  
I wanna see it in motion  
In 3D (You won't regret it now)  
You won't regret me (You won't regret me)  
Champagne confetti (Champagne confetti, hey)  
I wanna see it in motion  
In 3D

'Cause you know how I like it, girl ('Cause you know how I like it)  
3D (Woah)  
You know how I like it, girl (You know how I like it)  
3D (Woah)  
'Cause you know how I like it, girl (You know how I like it)  
3D (Woah)  
You know how I like it, girl  
3D (Woah)

I'm on my Jung Kook, take a chick off one look  
And when they get took, they don't ever get untook (What?)  
When I seen that body, you would think it was a dead body  
The way I told my boys, come look  
I used to take girls up to Stony Brook  
And steal they hearts like some crook, true story

Now when I hold somebody's hand, it's a new story  
All my ABGs get cute for me  
I had one girl (One girl), too boring  
Two girls (Two girls), that was cool for me  
Three girls, damn, dude's horny  
Four girls, okay, now you whorin'  
(Hey, hey, hey) Hey, I'm loose  
I done put these shrooms to good use  
I done put my city on my back  
And the world know my name, I'm the truth

So if you're ready  
And if you'll let me  
I wanna see it in motion  
In 3D (Ooh)  
You won't regret me (You won't regret me)  
Champagne confetti (Champagne confetti)  
I wanna see it in motion  
In 3D (Show it to me, girl, now, why?)

'Cause you know how I like it, girl (I kinda like it)  
3D (Woah)  
You know how I like it, girl (Alright, alright)  
3D (Woah, woah)  
'Cause you know how I like it, girl (You know how I like it, alright, five gears)  
3D (Alright)  
You know how I like it, girl  
3D (Woah)

I got you playin' with yourself on camera  
You my bae, just like Tampa  
Speakin' of bucks I got those  
And as for fucks well, not those, and as for thots  
Well, do you really wanna know? I thought so  
I'll fly you from Korea to Kentucky  
And you ain't gotta guarantee me nothing I just wanna see if I get lucky  
I just wanna meet you in the physical and see if you would touch me
