

Justin Bieber, Dan + Shay, 10000 Hours

do you love the ring
does it makes you dance
when you're drunk whit your friends at a party
what's your favorite song
does it make you smile?
do you think of me?

when you close your eyes
tell me what are you dreaming'
everything I wanna know it all

I'd spend 10000 hours and 10000 more
if that's what it takes to learn that sweetheart of yours
and I might never get there, but I am gonna try
if it's 10000 hours or the rest of my life
I am gonna love you

[Justin Bieber]
do you miss the road that you grew up on?
did you get your middle name from your grandma?
when you think about your forever now do you think of me?

when you close your eyes
tell me what are you dreaming'
everything I wanna know it all

I'd spend 10000 hours and 10000 more
if that's what it takes to learn that sweetheart of yours
and I might never get there, but I am gonna try
if it's 10000 hours or the rest of my life
I am gonna love you

want the good and the bad
and everything in between
gotta cure my curiosity

I'd spend 10000 hours and 10000 more
if that's what it takes to learn that sweetheart of yours
and I might never get there, but I am gonna try
if it's 10000 hours or the rest of my life
I am gonna love you
I am gonna love you
and I
do you love the ring, does it make you dance?
I am gonna love you
I am gonna love you
