Justin Bieber, Get Me (feat. Kehlani)

you don't compare don't fit in with 'em, do you get me? judging by the way you open up, you get me out of this world hands on baby, now you send me look in' at the way we're blending in you get me

you get me you get me

see, you looking beyond the surface can tell by the questions you're asking you got me low-key nervous it feels like we're on the same wave never intended to relate I mean, what are the chances? never thought I'd connect whit you not in these circumstances

you don't compare don't fit in with 'em, do you get me? judging by the way you open up, you get me out of this world hands on baby, now you send me look in' at the way we're blending in you get me

you getting' me you getting' me

[Kehlani:]

There's so much chemistry like a chemist how you finishin' my sentences n the center, no we can't deny the synergy how 'bout reapin' all the benefits? never intended to relate I mean, what are the chances? never thought I'd connect whit you not in these circumstances

you don't compare don't fit in with 'em, do you get me? judging by the way you open up, you get me out of this world hands on baby, now you send me look in' at the way we're blending in you get me

you getting' me you getting' me

oh, you get me you get me you get me tou get me yeah, yeah
