

# Justin Bieber, Set A Place At Your Table

Things seemed strange this morning  
As I packed my bag for school  
The smiles I'm used to seeing just weren't there  
I heard my father talking  
To my mother down the hallway  
Above the whispers all that I could hear... was  
Set a place at the table for someone who might need it  
Set a place at the table for someone to sit down and eat  
Kick their shoes off , put their feet up  
Forget about their troubles for awhile  
When there's a place at your table  
There's a little hope for you and i  
i was feeling kinda' helpless  
About the words that I just heard  
Could it be the family 2 doors down?  
They said a couple months of bad luck  
Had them up against the wall  
And though it may seem small  
i know there's somethin' i can do  
Set a place at the table for someone who might need it  
Set a place at the table for someone to sit down and eat  
Kick their shoes off , put their feet up  
Forget about their troubles for awhile  
When there's a place at your table  
There's a little hope for you and i  
Make room at your table for your friends and family  
Take the time to share your day, just laugh talk and eat  
Set a place at the table for someone who might need it  
Set a place at the table for someone to sit down and eat  
Kick their shoes off , put their feet up  
Forget about their troubles for awhile  
When there's a place at your table  
There's a little hope for you and i  
...there's a little hope for you and I
