

# Justin Bieber, Swap It Out

Open up to me, it's all you gotta do  
Give me all your heart, swap it mine out with you  
Swap it out with you  
Swap it out with you  
Come into my world  
I gave my world to you  
We can swap swap swap it out

I can show you what I'm talking about  
Be obliged just to show you how  
Follow my lead, that's what you oughta do  
No pressure  
Swapping mine ain't ever been a crime  
If it was then I'd do the time  
Throw away the keys as long as I'm here with you  
Forever

Eye for an eye  
I'm the one that told you  
Wipe your pretty eyes, dry 'em on my shoulder  
You ain't gotta try, try to get closer  
Fifty-fifty here, let's make it, devise it  
Simulate the love  
Try it 'for you knock it  
You ain't gotta rush  
But you ain't gotta stop it

Open up to me, it's all you gotta do  
Give me all your heart, swap it mine out with you  
Swap it out with you  
Swap it out with you  
Come into my world  
I gave my world to you  
We can swap swap swap it out

Oh swappin' out will only change your life  
It's worried 'bout the sacrifice  
After all what do we have to lose  
Nothing  
Don't separate our destiny  
By separating you from me  
These are the terms  
That we're made for each other

Eye for an eye  
I'm the one that told you  
Wipe your pretty eyes, dry 'em on my shoulder  
You ain't gotta try, try to get closer  
Fifty-fifty here, let's make it, devise it  
Simulate the love  
Try it 'for you knock it  
You ain't gotta rush  
But you ain't gotta stop it

Open up to me, it's all you gotta do  
Give me all your heart, swap it mine out with you  
Swap it out with you  
Swap it out with you  
Come into my world  
I gave my world to you  
We can swap swap swap it out

Don't be afraid darling  
I got your back baby

Oh you don't gotta worry, no  
You gotta know that baby  
Open up to me

Open up to me, it's all you gotta do  
Give me all your heart, swap it mine out with you  
Swap it out with you  
Swap it out with you  
Come into my world  
I gave my world to you  
We can swap swap swap it out

We can swap out our love, oh  
Over and over and over again  
Oh you ain't gotta be afraid  
Oh your love is in my hands  
My hands, your love is in my hands  
Oh your love is in my hands
