

Justin Bieber, Turn To You

You worked two jobs
To keep a roof above our heads
You chose a life for me
No you never gave up
I admire you for the strength
You've instilled in me
You were so young
You were just my age when you had me mom
You were so brave
There was nothing that would stop or get in our way
And I know you will always be there for me

So when you're lost and you're tired
When you're broken in two
Let my love take you higher
Cause I i still turn to you
I still turn to you
I still turn to you

It was '94 the year that everything started to change
From before
You had to be a woman
You were forced to change your ways
To change your ways

Then you found the lord
You gave your life to him
And you could not ignore
The love he had for you
And I wanted more of your heart

So when you're lost and you're tired
When you're broken in two
Let my love take you higher
Cause I i still turn to you
I still turn to you
I still turn to you

I don't know what i'd do if you left me
So please don't go away
Everything that you are is who I am
Who I am today
So when you're lost and you're tired
When you're broken in two
Let my love take you higher
Cause I i still turn to you
I still turn to you
I still turn to you

To you to you to you
I still turn to you
To you to you to you
Cause I i turn to you...
