

Justin Bieber, U Got It Bad

Oh, no, no, no, no, no...

When you feel it in your body
You found somebody who makes you change your ways
Like hanging with your crew
Said you act like you're ready
But you don't really know
And everything in your past - you wanna let it go

I've been there, done it, humped around
After all that - this is what I found
And if you want it just like me
It's so bad that you can't see that
You got it

U got, u got it bad
When you're on the phone
Hang up and you call right back
U got, u got it bad
If you miss a day without your friend
Your whole life's off track
And you got it bad when you're stuck in the house
You don't wanna have fun
She's all you think about
U got it bad when you're out with someone
And you keep on thinkin' 'bout somebody
U got it bad

Yeah, oh ho oh yeah

Want to but I can't help it
I love the way it feels
Just got me stuck between my fantasy and what is real
I need it when I want it
I want it when I don't
Tell myself I'll stop everyday knowin' that I won't

I got a problem and I don't know what to do about it
Even when I did it I don't
Know if I would quit but I doubt it
I'm taken by the thought of it

And I know this much is true
Baby you
Have become my addiction
I'm so strong out on you
I can't berly move
But I like it
So that is all because of you
Said it's all because of you
Said it's all because never get enough
She's the sweetest drug
She's the sweetest drug
