

Justyna Steczkowska, High Heels (feat. Pati Yang)

Watch me
I care for kids
I read a book a day
I don't have holidays
I have workouts at 4
I don't get mad at all
High heels is what I love

High heels
Can I take them off
For a while?
High heels
I can't stand the strain
Feet aren't made of stone
High heels
Can I take them off
For a while?
High heels
I can't stand the strain
Try walking in my shoes

High heels!

I cook, I sing
I do much more
One hundred shoes
Or even more
Hundreds of pairs
I'd never worn

Heels...

High heels
Can I take them off
For a while?
High heels
I can't stand the strain
Feet aren't made of stone
High heels
Can I take them off
For a while?
High heels
I can't stand the strain
Try walking in my shoes

Try it!
Without me
Go on
Try them on
Try them on
Go on
A brand new pair
For a while
Try them on
Go on
Try them on

A step, two
Back and forth
Back and forth
Gold, red and silver tones
A new pair of stilettos
I walk on tip-toes

A new pair of stilettos
I walk on tip-toes

High heels
Can I take them off
For a while?
High heels
I can't stand the strain
Feet aren't made of stone
High heels
Can I take them off
For a while?
High heels
I can't stand the strain
Try walking in my shoes

Try them on
Try them on
Try them on

Try them on
High heels
