

# Kaci, First Kiss

Will I close my eyes or will I hold my breath?  
Or will I wanna cry?  
Will our souls connect?  
I've been thinkin' about it when I go to bed  
At night I wonder, wonder...  
Will you hold my hand or will you speak aloud?  
Will the stars be shining in the sky above?  
Will it be all I've been dreamin' of for so long?  
Holding on...

-Chorus-

Our first kiss won't be the last  
Our love's too deep to end that fast  
And good things come to those who have to wait  
I believe it's only time that  
Keeps us from the things we find  
And when it's here you know I'm going to say  
"Lay it on my lips"

Will it taste like candy?  
Will it be that sweet?  
Will our hearts be racing to a heavenly beat?  
Will the moment sweep me off my feet  
And draw me under, under?  
Will I tremble, tremble when I beg for more?  
Will it be like anything I never felt before?  
One thing I know for sure...

-Chorus 2x-

I can picture it all inside my head  
Just how it's going to be  
But a girl can only dream so much  
But now she wants to make it real, make it real
