

Kaiser/Mansfield, Celestial Shore

It won't be long but its for sure
soon i'll be walkn through that special door
there'll be no more cry'n fight'n or war
when we gather together on that celestial shore

(chorus)

When we all come together(3x)
on that celestial shore

Are you tired of walk'n on this uphill road?
Are you ready for talkn to the one true Lord?
Well it aint no secret that he settled your score
Will you be there with us on that celestial shore?

(chorus)

I'm so tired walkn this uphill road
Are you ready to meet that One true Lord?
Well it ain't no secret he settled your score
Don't you wanna be with him on that celestial shore?
