

Kali Uchis, Solita

como una espina de rosa
cuando yo te vi con otra
fue lo que senti
te quiero pa mi

en una calle rota
serpinete venenosa
anoche sone que esyttabas aqui

well I got a feeling these scars
won't ever look like their old news
if I let you keep on rubbibg slat into all my open wounds
I wish I could keep everything that you took of me
but the photos
but you keep apiece of me locked
in a secret spot we called home

solita /2x
bailando aqui sola como a mi me gusta
solita /2x
bailando aqui sola
es major que con el diablo

sola /8x
major que con el diablo
sola /8x

rooted in your ways
you won't ever know you won't ever see
who I am today
the roots of my soul
now I need to face my demons alone
so close I could smell his cologne
he ask me why I'm all alone

solita /2x
bailando aqui sola como a mi me gusta
solita /2x
bailando aqui sola
es major que con el diablo

sola /8x
major que con el diablo
sola /8x
