For the drunk and hot girls  
Up in the club, look at here what we got

Stop talking 'bout your boyfriend since he is not me

I don't want to drop your friends off, I just want you  
You drunk and hot girls  
You want to sit down but we hit the drive-thru  
You drunk and hot girls  
Please don't fall asleep, baby, we almost back  
Please don't throw up in the car, we almost crashed  
Oh, now you sober, how'd I know you'd say that?  
You drunk and hot girl

[Chorus: Kanye West]

We go through too much bullshit  
Just to mess with these drunk and hot girls  
We go through too much bullshit  
Just to mess with these drunk and hot girls

[Post-Chorus: Kanye West]

Through too  
Much shit

To mess

All of these drunk and hot girls

[Bridge: Mos Def]  
Love, the dangerous necessity that people seek  
Without regard to where they are  
The human heart is curious above all things  
Love, the lights are low, your eyes are bright  
The music plays, it's sweet delight  
It's out of sight, I'm feeling right  
Your dress is tight  
Oh, how, I want you right now

[Verse 3: Kanye West & Mos Def]  
Don't tell me, you sing, you about to get a deal  
You drunk and hot girls  
"Ah-da-da-da-da," That's how the fuck you sound  
You drunk and hot girls, yeah  
You only live once, do whatever you like  
I thought I'd be with you for only one night  
Now I'm with this girl for the rest of my life  
That drunk and hot girl

[Chorus: Kanye West]  
We go through too much bullshit  
Just to mess with these drunk and hot girls  
(A little sippy-sippy)  
We go through too much bullshit  
Just to mess with these drunk and hot girls  
(Did she say she want a brewski?)

[Post-Chorus: Kanye West & Mos Def]  
We go  
Through too  
Much shit  
To mess  
Mess with  
These drunk  
All of these drunk and hot girls

[Outro: Mos Def]  
La-da-da-da-da-da-da-da-da-da-da-da
