

# Kanye West, I Am a God

[Intro: Kanye West & Capelton]

Blazin', mi don't want dem

Mi need dem

Blazin'

Suh mi tek har outta bugah red and put her in a tall skirt

And now she find out what life is really worth

No to X rated

Yo mi tek har outta bugah red and put her in a tall skirt

And now she find out what life is really worth

No to X rated

I am a God

I am a God

I am a God

[Chorus: Kanye West]

I am a God

Hurry up with my damn massage

Hurry up with my damn ménage

Get the Porsche out the damn garage

I am a God

Even though I'm a man of God

My whole life in the hand of God

So y'all better quit playin' with God

[Verse 1: Kanye West]

Soon as they like you make 'em unlike you

'Cause kissin' people ass is so unlike you

The only rapper compared to Michael

So here's a few hatin'-ass niggas to fight you

And here's a few snake-ass niggas to bite you

And I don't even wanna hear 'bout what niggas might do

Old niggas mentally still in high school

Since the tight jeans they ain't never liked you

Pink-ass polos with a fuckin' backpack

But everybody know you brought real rap back

Nobody had swag, man, we the Rat Pack

Virgil, Pyrex, Don C snapback

Ibn diamond, Chi-town shinin'

Monop' in this bitch again, changed the climate

Hop in this bitch to give Saint the garment

Until the day I get struck by lightning

[Chorus: Kanye West]

I am a God

So hurry up with my damn massage

In a French-ass restaurant

Hurry up with my damn croissants

I am a God

I am a God

I am a God

[Refrain: Kanye West]

Ahh!

Ahh!

[Verse 2: Kanye West]

I just talked to Jesus

He said, "What up, Yeezus?"

I said, "Shit—I'm chillin'

Tryna stack these millions"

I know he the most high

But I am a close high

Mi casa, su casa

That's our cosa nostra

I am a God  
I am a God  
I am a God

[Refrain: Kanye West]

Ahh!  
Ahh!  
Ahh!  
Ahh!

[Outro: Justin Vernon]

Ain't no way I'm givin' up, I'm a God
