

# Kaptn, Juice (ft. Miley Cyrus)

Your girls is a foxy Jamay  
We partyin' like its payday  
I'm hopin she shave her jay jay  
When she rubbin' me down She be using the mayonnaise

We kickin' it like I'm pele  
Hold up wait a minute Ray Jay  
Dribble dribble dribble LeBron James  
Just flew into Spain with an ounce of cocaine

I got no reservations like Anthony Bourdain  
Don't drink Goose I drink the champagne  
I'm more refined  
I'm ahead of my time  
And I ain't lyin' I act twice my age

On that Juice, that juice  
Yeah we gettin' loose  
She on her knees  
Her knees  
She want that freshly squeezed

We on that juice  
Juice  
Yeah we gettin' loose  
She on her knees  
Her knees  
She want that freshly squeezed

We on that juice

(Chorus)

I got juice that juice that ass  
pump that pump that pump that pump that pump that  
juice that juice that ass  
Do it slow  
Do it fast

juice that juice that ass  
pump that pump that pump that pump that pump that  
juice that juice that ass  
Do it slow  
Do it fast

(Verse 2)

Pop my shirt off  
Abs hard they don't never go soft  
Crunch em' out  
Don't talk just shut your mouth

Dance with me  
In synch Lance Bass with me  
Hey baby mama  
You freaky Lady Gaga

And I'm the head honcho  
El flamo blanco

and I the tickets to the gun show  
Boom Boom whats this a bongo naw?  
Hold still while I juice the mango.

On that Juice, that juice  
Yeah we gettin' loose  
She on her knees  
Her knees  
She want that freshly squeezed

We on that juice  
Juice  
Yeah we gettin' loose  
She on her knees  
Her knees  
She want that freshly squeezed
