Kasabian, III Ray (The King)

Wow, you're telling me about this I'll tell you about that stop talking shit you'll walk into another trap when all the time you know you know my name /3x just settle down you're losing the plot it took you a lifetime to get where you got if I had it all I'd be dead in a week if I had my way I'd be king for a day

oh wow
what's your band called mate?
well what's your band call mate?
I'm sorry /2x
but it's far too late
I'm trying to start a war
I heard it all before
now go fetch me a milkshake
don't forget the straw

now I don't have the time to listen to this I don't know by now that the point you have missed look what you;ve got it's love that it's not don't care what they say be king for a day! /2x
