

# Kate Ceberano, Love Don't Live Here Anymore

You've abandoned me, love don't live here anymore  
Just a vacancy, love don't live here anymore  
When you lived inside me, there was nothing I could conceive  
That you wouldn't do for me  
Troubles seemed so far away  
You changed that right away baby  
You've abandoned me, love don't live here anymore

Through the window of my mind  
Everyone could see  
The loneliness inside of me  
Why ya have to go away  
Find another place to stay another home  
You've abandoned me, love don't live here anymore
