

Katy Perry, Connor And Joe

You change your mind like Mollie dyes her hair
Yeah, you PMS like a bitch I would know
And you always speak
About Connor and Joe
You should know that your no good for them

[Chorus]

Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You don't really wanna say, no
But you don't really wanna go, oh
Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You and Joe used to be just like twins

So in sync

Our old energy's
Now a dead battery
Used to sob over it
And you still do now
Now that the love is gone
There is no more to be won

[Chorus]

Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You don't really wanna say, no
But you don't really wanna go, oh
Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
Someone call the doctor
Got a case of a love bipolar
Stuck in a single period
Can't get out this time
You change your mind like Mollie dyes her hair

[Chorus]

Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You don't really wanna say, no
But you don't really wanna go, oh
Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
