

# Kelly Clarkson, People Like Us

We come into to this world alone  
We leave this world alone  
And in between people like us  
Have gotta stick together...

Hey, everybody loses it  
Everybody wants to throw it all away sometimes  
Hey, I know what you're going through  
Don't let it get the best of you  
You'll make it out alive...

Oh, people like us  
We gotta stick together  
Paint the world black  
Gonna live forever  
Here's to the damned, to the lost and forgotten  
It's hard to get high when you're living on the bottom

Oh oh oh  
We are all misfits living in a world on fire  
Oh oh oh  
Sing it for the people like us

Hey, this is not a funeral  
It's a revolution after all your tears have turned to rage  
Just wait, everything will be OK  
Even when you're feeling like it's going down in flames

Oh, people like us  
We gotta stick together  
Paint the world black  
Gonna live forever  
Here's to the damned, to the lost and forgotten  
It's hard to get high when you're living on the bottom

Oh oh oh  
We are all misfits living in a world on fire  
Oh oh oh  
Sing it for the people like us

Oh oh oh  
You just gotta turn it up loud when the flames get higher  
Oh oh oh  
Sing it for the people like us

They can't do nothing to you  
They can't do nothing to me  
This is the life that we choose  
This is the life that we lead  
So throw your fists in the air  
Come out, come out if you dare  
Tonight we're gonna dance forever

Everybody loses it  
Everybody wants to throw it all away sometimes

Oh, people like us  
We gotta stick together  
Paint the world black  
Gonna live forever  
Here's to the damned, to the lost and forgotten  
It's hard to get high when you're living on the bottom

Oh oh oh

We are all misfits living in a world on fire  
Oh oh oh  
Sing it for the people like us  
Oh oh oh  
You just gotta turn it up loud when the flames get higher  
Oh oh oh  
Sing it for the people like us  
Oh oh oh  
We are all misfits living in a world on fire  
Oh oh oh  
Sing it for the people like us  
Oh oh oh  
You just gotta turn it up loud when the flames get higher  
Oh oh oh  
Sing it for the people like us
