

Kesha, Woman (ft. The Dap-Kings Horns)

I buy my own things
I pay my own bills
This diamond rings
This automobiles
Everything I got, I bought it
Boys can't buy my love

Buy my love

I work real hard every day
I'm a motherfucking woman, alright
I'm a motherfucking woman, that's alright
I'm just having fun with my ladies here tonight
I'm a motherfucker

Let's drive around town in my Cadillac
Boys od front, boys on back
Loosey as a goosey looking for some fun
I'm a motherfucking woman, alright
I don't need a man to be holding me too tight
I'm a motherfucking woman, that's alright
I'm just having fun with my ladies here tonight
I'm a motherfucker

Don't buy me a drink
Don't make my money
Don't touch my weed
Don't call me "honey"
