

# Kill Hannah, He Believes In Time Machines

Arrow kid runs by  
Catch one in your side  
&quot;Is this the end?&quot;  
If we should die, then let us go.

All this life's a film.  
Let the bullets fly.  
Truth/lies/a film.  
So like little bees, just let them sting.

He believes in time machines.  
He believes in time machines.  
He believes in time machines.
