

# Kim Gordon, I'm a Man

It's not my fault I was born a man  
Come on, Zeus (?)  
Take my hand  
Jump on my back  
Cause I'm the man

Pass me a black napkin please  
Dropped out of college, don't have a degree  
And I can't get a date  
It's not my fault!  
I'm not bringing home the juice, I'm not bringing home the bacon  
It's good enough for Nancy  
Good enough for Nancy  
So what if I like the big truck?  
So what if I ride the big truck?  
Giddy up! Giddy up!  
Don't call me toxic  
Just cause I like you. Not!

It's not my fault I was born a man  
Come on, Zeus (?)  
Take my hand  
Jump on my back  
Cause I'm the man

I'm not ideal  
I'm a person  
I won the war, but lost my way  
But I can buy  
As much as anyone  
I'd like to shave my beard just so  
Manicure my nails  
Put on a skirt  
But at the end of the day  
I lost my way  
Don't make me have to hide  
Or explain  
What I am inside  
Don't make me hide, don't make me hide

It's good enough for Nancy  
Good enough for Nancy  
It's good enough for Nancy  
Good enough for Nancy

I'm a man  
Don't make me hide  
Don't make me hide  
I'm a man  
I'm a man  
I'm a man  
I'm a man!  
I'm a man, I'm a man!

Start my car  
I'm a man!  
It's good enough for Nancy  
Good enough for Nancy  
I'm supposed to save you  
But you got a job  
You got a degree  
I'm just a fucking slob  
You got your (?)  
You got your (?)

It's not my fault, it's not my fault  
I'm a man, I'm a man!

Don't throw it away  
Don't throw it away
