

# King Adora, Drag

Drag, Drag got your tattoo written on my back  
Drag, Drag you're everything I never had  
And you're very little bit a man  
Drag, Drag

Who do you love?  
Sex and drugs and money  
Who do you love?  
Sex and drugs and money  
Who do you love?  
Just love me like I know you can  
Drag, Drag

Tramp, tramp, I love you like a one night stand  
Tramp, tramp, can you love me like a woman can  
When you're every little bit a man  
Drag, Drag

Who do you love?  
Sex and drugs and money  
Who do you love?  
Sex and drugs and money  
Who do you love?  
Just love me like I know you can  
Wow

Drag, Drag got your tattoo written on my back  
Drag, Drag you're everything I never had  
And you're very little bit a man

Who do you love?  
Sex and drugs and money  
Who do you love?  
Sex and drugs and money  
Who do you love?  
Just love me like a lady-man

Drag, drag, drag, drag
