Ahuh Ahuh (Royalty Gone Bad)  
Ahuh Ahuh (Take three... Action)  
Ahuh Ahuh

No girls in my dorm  
Let it rain, I was born on a farm  
Coming down with the Dow Fones  
When the girls come we gone, we Rockin betta  
We softer than feather  
And G9's ain't better, Do you know me?  
In precipitation, never in relation. Save coins for the rainy day  
Gay, FruitCup is back with little Ms. SheMale  
Ciara where you at?

(Rihanna)

We'll Never Know  
Why She Was Born A Joe  
Might be in magazines  
But she'll still be a joke  
Baby cause in the dark  
You can't see what she has  
Bow Wow turned on the light  
And now she wants to fight  
Because

(Chorus)

Ciara is such a man  
only has one lonely fan  
Bow Wow found out she's a Tran  
now she only hangs out with a can  
Now that it's raining more than ever  
we'll laugh at Ciara forever  
Because Ciara's real name is Trevor  
Cause Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh eh eh eh

(Chris Brown)

You're becoming a dream to me  
You used to be my fantasy  
Nothing can ever compare  
An image to my memory  
Told me you were a man "What do you mean?"

Thought I want to be with you

but when Bow Wow said you were queer  
That's something that I fear.  
Because

(Chorus - Chris Brown)

Ciara is such a man  
only has one lonely fan  
Bow Wow found out she's a Tran  
now she only hangs out with a can  
Now that it's raining more than ever  
we'll laugh at Ciara forever  
Because Ciara's real name is Trevor

Cause Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh eh eh eh

(Jay-Z)

I'm glad you liked Bow Wow  
Guess who I'm bout to cut now  
I wonder how  
There's no distance between our fame  
Except our sex is the same  
I'll be all you hate and more  
Because

(Chorus)

Ciara is such a man  
only has one lonely fan  
Bow Wow found out she's a Tran  
now she only hangs out with a can  
Now that it's raining more than ever  
we'll laugh at Ciara forever  
Because Ciara's real name is Trevor  
Cause Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh  
Ciara's real name is Trevor evor evor eh eh eh eh eh eh
