Kinky Machine, Hello Hello I'm Back Again

Hello hello, it's good to be back, it's good to be back Hello hello, it's good to be back, it's good to be back Hello hello

Did you miss me when I was away
Did you hang my picture on your wall
Did you miss me every single day
Although you didn't see me at all
Did you love me like a good little girl
Did you love me in your own little world
Although you didn't see me at all, although you didn't see me at all

Hello hello, it's good to be back, it's good to be back Hello hello

Did you miss me when I was gone Did you hug your pillow in your bed Did you kiss me all night long And treasure every word that I said Did you want me to come back again Did you know I'd been so far away ??

Did you tell all your friends

D'you think about me every day, d'you think about me every day

Hello hello, it's good to be back, it's good to be back Hello hello, it's good to be back, it's good to be back

Hello hello I'm back again I'm back, I'm back, I'm on the right track Hello hello tell all of your friends I'm back, I'm back as a matter of fact, as a matter of fact I'm back

Did you miss me when I was away Did you hang my picture on your wall Did you miss me every single day I bet you never missed me at all, I bet you never missed me at all

Hello hello, it's good to be back, it's good to be back Hello hello, it's good to be back, it's good to be back Hello hello, it's good to be back, it's good to be back Hello hello, it's good to be back, it's good to be back...
