Kiss, Thrills In The Night

Early morning, as she wakes from her sleep 9 to 5 is the day that she'll keep Ties her hair up and her blouse buttoned tight Gets her work done as she waits for the night...

All the people, tell me what would they say If they knew her, how she hides it away Locked inside, there's the start of a flame And the feelings that she never will tame Ooh as she's walking around like a mystery Ooh there's a woman that nobody sees livin' inside

Chorus:

Thrills in the night, far from the light, passion taking over Prices she pays, all through the days, no on really knows her In the evening when she takes to the street She goes hunting with a body in heat And desires she's kept hidden inside make her tingle And she knows why she lies Ooh as she's walking around like a mystery Ooh there's a woman that nobody sees living inside

chorus repeats 2x See the stranger that she's pushing away As she dresses for the start of a day And desires she's kept hidden inside make her tingle Yeah she knows why she lies chorus repeats out
