Kiss, Unholy

I was there through the ages Chained slaves to their cages I have seen you eat your own I'm the cycle of pain Of a thousand year old reign I'm suicide and salvation The omen to nations That you worship on all fours I'm the infection and famine That's knocking at your door That's why you're feeling so

Unholy

Oh, I was created by man, you know I'm....
Unholy
Yeah, yeah, yeah, yeah
I am the incubus
i lay the egg in you
The worm that burrows
Through your brain
But you are the beast
That calls me by my name

You send your children to war To serve bastards and whores So now you know You created me

On the day that you were born

Unholy I was created by man, yeah I'm the Lord of the flies, you know I'm

From the left hand of power comes the father of lies - Unholy!

(Instrumental break)

I lay you down to sleep Your soul to keep Better cross your heart before you die And now you know Know that you are mine

That's why you're feeling so Unholy, Unholy, Unholy - Unholy!!
